To Parliamentary Secretary Rice,

On behalf of myself and all the government licensed professional members of the Professional Employee Association (PEA), I would like to thank you for taking time to meet with us on Wednesday, February 2, as well as staff from your office and the Ministry.

We appreciated the opportunity to share our experiences with you, as well as your commitment to share our concerns with Appendix H with Minister Farnworth. As you suggested, we have put in a request to meet with Minister Farnworth's office to discuss our concerns with Appendix H and how it impacts our members, as well as the effectiveness of BC's emergency response.

Once again, we would like to thank you for the positive and insightful meeting. If there is any information we can provide that is helpful as part of the government's ongoing work on emergency preparedness, don't hesitate to reach out. We look forward to being in touch again in the future to provide you updates on the progress we are making.

Kind regards,
